graveyard, Fleming Co.

Another soldier's trials ended:

Monday morning for Illinois.

Uncle Rus Sage's Say. "I stand just where I did two weeks ago," the alert old gentle-I was a bull on the general situation. I told you then I believed Taking Salt Lick as the center everything was going to work out and drawing a circle 4 miles in diall right. I told you then I felt ameter we have within that radius sure we were going to have great then I told you, too, that this im-Sunday, John Maupin and Miss provement wasn't coming at any When it got here it would last.

life. May their days be many and now. "Enthusiasm over McKinley getting into office is all right, but getting into office is one thing and ley man myself. Got his picture over my office desk. Good face to should put myself on exhibition

"The good times we want will come intelligently when they do come. We've got to do something more than press a button. To hear ANOTHER GOOD MAN GONE .- the average man down in Wall street talk you would imagine that we hear so much about is camped

"We have got to do something of followed all his life except the four business world, but transformation long years he served in the late war scenes are theater scenes; they aren't quite so natural and easy in He was born February 9, 1840; the real world-where you and I
